

ACTION LIFT
MATERIALS HANDLING SPECIALISTS

OUR MISSION

“To provide exceptional service and stand by the promise to put our customers first, while offering the expertise to support a smooth, safe, and cost-efficient material handling operation.”

OUR TASKFORCE

With over 35 service techs and a huge in-house inventory of replacement parts, our customers can count on us to keep things running.

We operate with GPS-tracked and dispatched service vans and continually track our response times and first-call resolution metrics. It is our goal to provide the fastest, most reliable lift truck service in NE Pennsylvania.

SALES - SERVICE

WHY ACTION LIFT?

Look at our capabilities.

Forklift Sales

New and used forklifts of all types—gas, LP, diesel, electric. From our smallest hand pallet truck to our highest lifting turret truck, our goal is to always provide the user with the safest, most efficient, and ergonomic lift truck possible to lower the total cost of ownership and increase uptime.

Service Programs

We offer wide-ranging maintenance plans—planned maintenance (PM), full maintenance (FM), complete maintenance (CM), time & material (TM) plans—all tailored to our customers' needs. Our service technicians are continually trained on current products and technologies, having access to the latest updates and repair information.

Parts

We want to provide our customers with high-quality replacement parts at the greatest value. With our vast inventory of parts, quick turnaround time, and reliable service, our parts department aims to get our customers' lift trucks back on the job—FAST!

Rentals

We offer one of the largest material-handling equipment rental fleets in Northeast PA. Our full line of rental equipment includes a wide selection of forklifts, boom and scissor lifts, battery chargers, lift truck attachments, pallet jacks, and more. Short-term and long-term rentals are available.

Training Programs

We offer OSHA-endorsed training at our customer's location or our facility. Our certified safety instructors provide operator and train-the-trainer classes. This comprehensive program is conducted with all required training materials, videos, and concluded with a notice of completion certificate.

Dock & Door Solutions

We represent the best companies in the industry and can keep your loading dock equipment safe and functioning at its best capacity. We sell, install, and repair loading dock equipment, including levelers, lifts, seals, trailer restraints, security gates, and more.

Batteries & Chargers

Action Lift is proud to supply our line of industrial batteries—Keystone True Power, along with the EnerSys line of industrial batteries and chargers. We also provide the latest in Lithium-Ion Technology through Crown Equipment and Triathlon Battery Solutions.

Crown Lift Trucks

Crown Equipment Corporation designs, manufactures, distributes, and supports material-handling equipment that provides our customers with superior value. Crown is one of the world's largest lift truck manufacturers and a front-runner when it comes to innovative design and development in the material-handling industry.

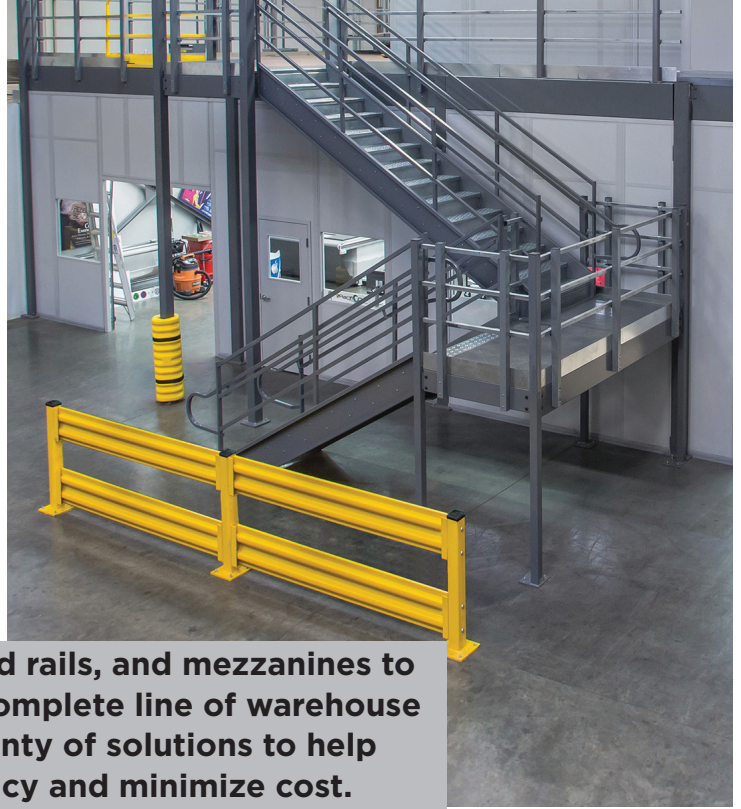

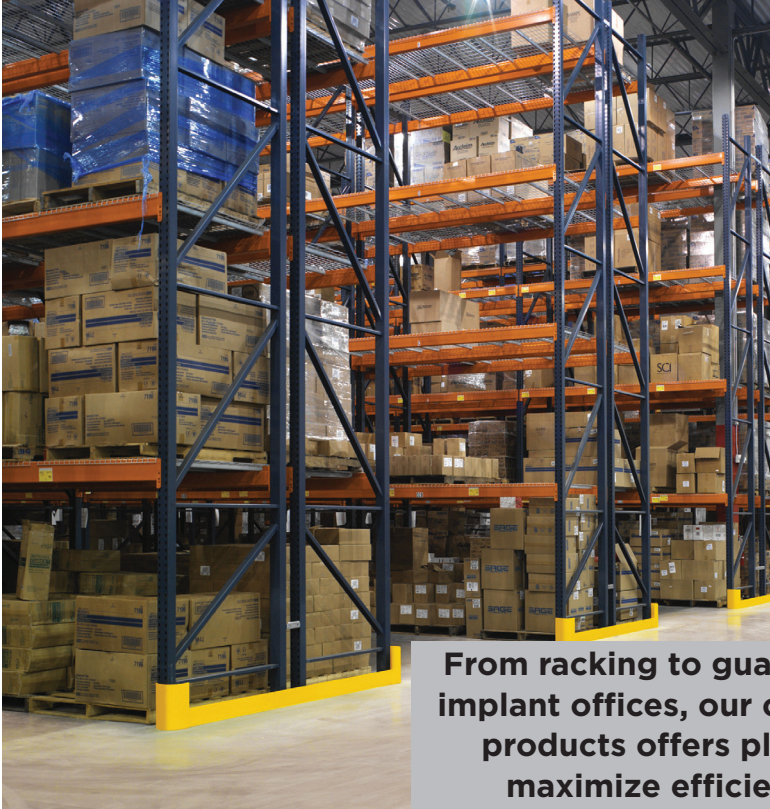

UniCarriers Forklifts

UniCarriers designs and manufactures their forklifts to work longer, minimizing the time and expense of servicing to deliver a lifetime of reliable performance. And they offer the best limited warranty in the business, standard on all Class I, IV and V forklifts.

Warehouse Solutions

From racking to guard rails, and mezzanines to implant offices, our complete line of warehouse products offers plenty of solutions to help maximize efficiency and minimize cost.

Fleet Management

With information that inspires action, we can introduce our customers to the Crown Insite Productivity Suite—the latest in fleet management technology. Managers can collect, measure, analyze, and act on data about lift trucks, operators, service, applications, and fleets.

Aerial Equipment

We represent the most trusted aerial lift industry leaders, offering a wide selection of scissor lift platforms, boom lifts, and more. Our customers can buy, lease, or rent for their short-term or long-term needs.
